3 Deposit

Within five (5) Business Days of countersigning the Quote, issuing a purchase order or instructing BTP to proceed based on the Quote, the Buyer must pay BTP the Deposit, if applicable, in AUD. The Buyer agrees that the Deposit is paid in consideration for the Buyer securing one or a series of delivery slots for the Products, as the case may be. The Deposit may be applied by BTP towards costs associated with the supply of the Products to the Buyer. The Deposit is not refundable unless otherwise agreed in writing by BTP except if the Agreement is terminated by BTP under clause 18.3.

4 Payment

- 4.1 BTP is not required to deliver the Products until the Buyer has paid for them in full. Payment of the Price less the Deposit is due in AUD in accordance with the Quote and in any case on or before delivery of the Products to the Buyer. Time for payment is of the essence. Any invoice issued by BTP to the Buyer is payable in full within thirty (30) days from the date on which such invoice is issued unless otherwise specified in the invoice.
- 4.2 If BTP is not paid for any part of the Products on or before the date that risk in the Products passes to the Buyer (**Delivery Date**), without prejudice to any other rights or remedies available to BTP:
- title in the Products will remain vested in BTP;
 - the Buyer will be liable for any costs incurred by BTP as a result of the Buyer's default;

- (c) any and all outstanding money payable to BTP will accrue interest at the Commonwealth Bank of Australia Business Lending Rate plus 5%; and
- (d) BTP may recover the Price of the Products together with all costs and interest from the Buyer as a liquidated debt in a court or tribunal of competent jurisdiction irrespective of any claim that the Buyer may have against BTP.
- 4.3 Unless otherwise stated, the Price excludes GST (as defined in *A New Tax System (Goods and Services Tax) Act 1999* (Cth)) (a **GST-exclusive consideration**). If GST is imposed on a supply made pursuant to this Agreement, the Buyer must pay to BTP, in addition to the GST- exclusive consideration, an amount equal to the GST payable by the Buyer in respect of the supply.
- 4.4 Any GST payable under the Agreement is payable on the day that payment of the GST- exclusive consideration (or part thereof) for the supply that has given rise to the obligation to pay GST is required pursuant to this Agreement, or where the GST- exclusive consideration is non-monetary consideration, seven days after the Buyer receives a tax invoice for the supply.
- 4.5 BTP will ensure that any invoice or other request or demand for payment for supplies to the Buyer under the Agreement constitutes a tax invoice that should, where applicable, enable the Buyer to claim tax credits for the GST in respect of supplies to which the invoice relates.
- 5 Delivery, title and risk**
- 5.1 Delivery of the Products is Ex Works Incoterms 2020 (the place as specified in the Quote) (**Delivery**). Any transport or shipment of the Products by BTP to the Buyer will be subject to a separate agreement between the parties.
- 5.2 Title to the Products passes from BTP to the Buyer on payment of the Price (plus any amounts determined to be payable by the Buyer under clause 4.3) to BTP in full. Until that time, title in the Products remains with BTP.
- 5.3 Risk in the Products passes from BTP to the Buyer upon the actual or constructive Delivery of the Products to:
- the Buyer, or any of its agents, representatives or subcontractors; or
 - if BTP is to arrange transport or shipment of the Products, the transport or shipping subcontractor retained by BTP.
- 5.4 BTP will use reasonable endeavours to ensure that the Products are available for Delivery within the time specified in the Quote. BTP makes no guarantees as to the proposed Delivery Date and the Delivery Date is subject to change. If the proposed Delivery Date changes, BTP will advise the Buyer of the new proposed Delivery Date as soon as reasonably practicable.
- 5.5 While title in the Products remains with BTP:
- the Buyer has no right or claim to any interest in the Products;
 - the Buyer must not claim any lien over the Products;
 - the Buyer must not create any absolute or defeasible interest in the Products in relation to any third party except as expressly authorised by BTP; and
 - where the Buyer is in actual or constructive possession of the Products, the Buyer:

 - must not remove, deface or obliterate any identifying plate, mark or number on any of the Products.
- 5.6 Without limiting or waiving BTP's rights under clause 5.5(d), if the Buyer supplies any Products to any person before the Price (plus any amounts determined as payable by the Buyer under clause 4.3) has been paid to BTP in full, the Buyer agrees that:
- the Buyer holds the proceeds of re-supply of the Products on trust and as agent for BTP immediately when those proceeds are receivable or are received by the Buyer;
 - any accessory or item that accedes to any of the Products by an act of the Buyer, or of any person at the direction or request of the Buyer, becomes and remains the property of BTP until BTP is paid the Price (plus any amounts determined payable by the Buyer under clause 4.3) in full, at which time title in the Products (including the accessory) passes to the Buyer or the relevant person, as the case may be;
 - if any Products are used in any mining, manufacturing or other process or are mixed with other products, the Buyer must record the value of Products so used or consumed and upon sale of any item produced using the Products must immediately pay the balance of the Price (plus any amounts determined payable by the Buyer under clause 4.3) to BTP out of the proceeds of such sale; and
 - BTP may recover possession of the Products at the Buyer's cost, including at any site owned, possessed or controlled by the Buyer and the Buyer agrees that BTP has an irrevocable licence to do so without incurring liability to the Buyer or any person claiming through the Buyer. Where the Buyer does not own, possess or control the site at which the Products are situated, the Buyer agrees to use its best endeavours to procure access to such site for BTP.
- 6 PPSA**
- 6.1 The Buyer acknowledges that BTP has a purchase money security interest in the Products.
- 6.2 The parties acknowledge that, except as otherwise agreed in writing by the parties, any payments made by the Buyer to BTP must be applied in accordance with section 14(6)(c) of the PPSA.
- 6.3 The Buyer acknowledges that BTP's rights and interest in proceeds derived from the Products constitute a security interest in such proceeds.
- 6.4 BTP may register any security interest contemplated by this agreement on the PPS Register in any manner it chooses (including by registering one or more financing statements

in relation to its interests in the Products, with such expiry dates as BTP determines in its absolute discretion).

- 6.5 The Buyer must provide BTP with any information it requires for the purposes of giving effect to such registration.
- 6.6 Without limiting any other provision of this agreement, the Buyer is in default under the Agreement for the purposes of section 123(1) of the PPSA if any other secured party:
- seizes the Products, whether under PPSA section 123 or otherwise, for the purposes of enforcement; or
 - becomes entitled to seize the Products.
- 6.7 For the purposes of section 157(3) of the PPSA, the Buyer irrevocably and unconditionally waives its right to receive any notice from BTP in connection with the registration of a financing statement or a financing change statement in respect of the Products.
- 6.8 The Buyer agrees that any action taken by BTP in relation to BTP's security interest in the Products is at the cost of the Buyer.
- 6.9 If chapter 4 of the PPSA would otherwise apply to the enforcement of any security interest created under this agreement then, to the maximum extent permitted under law, the provisions of chapter 4 are excluded.
- 6.10 The Buyer must take any steps BTP reasonably requires to perfect or otherwise ensure the enforceability and priority of any security interest granted to it under this agreement, including, at the request of BTP:
- obtaining and giving any consents;
 - producing and providing any receipts or information in respect of the Products;
 - signing or procuring the signing of any documents;
 - facilitating registration of any security interest on the PPSR Register;
 - facilitating the giving of notice to any person, including any person who also has, or appears to have, a security interest over the Buyer or the Products; and
 - facilitating the exercise of BTP's rights in enforcing any security interest.

8.6 The *Competition and Consumer Act 2010* (Cth), the *Fair Trading Act 2010* (WA) and similar legislation in force in other Australian states and territories imply certain terms, conditions and warranties (**Prescribed Terms**) into contracts for the supply of certain goods and services. Subject to the legislation referred to above and to the maximum extent permitted by law:

- (a) the liability of BTP in respect of a breach of a Prescribed Term relating to the Products or any part thereof (but only to the extent that a Prescribed Term applies to the supply of Products under this Agreement) is limited to the remedies set out in clause 8.2; and

9 Used Equipment

The warranty referred to in clause 8.1 does not apply to Used Equipment. Warranty terms applicable to Used Equipment are set out in Item 2 of Annexure A. 10 Returns

- 21.5 The failure of any party to enforce a provision of this Agreement or to exercise any of its rights expressed in this Agreement is not a waiver of such provisions or rights and does not affect the enforcement of this Agreement. No waiver under this clause operates as an estoppel against the party seeking to rely on this clause. The exercise by any party of any of its rights expressed in this Agreement does not preclude or prejudice such party from exercising the same or any other rights it may have irrespective of any previous action taken by that party.
- 21.6 No rule of construction will apply in the interpretation of the Agreement to the disadvantage of one party on the basis that that party put forward or drafted the Agreement.
