BTP is part of Perenti Limited, a diversified global mining services group with interests in contract mining, drilling services, mining support services and future technology solutions. The Group was founded in Kalgoorlie in 1987 and is today one of the world's largest mining service companies providing surface and underground mining at scale. Our portfolio consists of sustainable, inter-related and value-adding mining services and technology focused businesses. Headquartered in Perth, Australia, and operating across four continents, our focus is to create enduring value and certainty for our investors, clients, employees and the communities in which we operate.
